Coast Guard

33 CFR Part 100

[Docket Number USCG-2018-0749]

RIN 1625-AA08

Special Local Regulations; Recurring Marine Events, Sector Miami

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to revise existing regulations and consolidate into one table special local regulations for recurring marine events at various locations within the geographic boundaries of the Seventh Coast Guard District Captain of the Port (COTP) Miami Zone. Consolidating marine events into one table simplifies Coast Guard oversight and public notification of special local regulations within COTP Miami Zone. The Coast Guard invites your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

ADDRESSES: You may submit comments identified by docket number USCG-2018-0749 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Omar Beceiro, Sector Miami Waterways Management Division, U.S. Coast Guard; telephone 305-535-4317, email Omar.Beceiro@uscg.mil.

CFR	Code of Federal Regulations
COTP	Captain of the Port
DHS	Department of Homeland Security
FR	Federal Register
NPRM	Notice of proposed rulemaking
§	Section
U.S.C.	United States Code

II. Background, Purpose, and Legal Basis

Recurring races, swims, and other marine events within the Seventh Coast Guard District are currently listed in 33 CFR 100.701, Table to § 100.701. The process for amending the table (e.g. adding or removing marine events) is lengthy and inefficient since it includes recurring marine events for seven different COTP zones within the Seventh District. To expedite and simplify the rule-making process for new marine events/special local regulations, COTP's resorted to creating individual rules rather than amending Table to § 100.701.

This rule serves two purposes: (1) create a table of recurring marine events/special local regulations occurring solely within the COTP Miami Zone, and (2) consolidate into that table marine events/special local regulations previously established outside of Table to § 100.701. The resultant table would facilitate management of and public access to information about marine events within the COTP Miami Zone.

The Coast Guard proposes this rulemaking under authority in 46 U.S.C. 70041.

III. Discussion of Proposed Rule

This rulemaking proposes to make the following changes:

1. Establish 33 CFR 100.702 Special Local Regulations; Marine Events Within the Captain of the Port Miami;
2. Move existing marine events/special local regulations from Table to § 100.701 under (a) COTP Zone Miami; Special Local Regulations (33 CFR 100.701) to new Table to § 100.702;
3. Move 33 CFR 100.723 Special Local Regulation; Fort Lauderdale Grand Prix of the Seas; Fort Lauderdale, FL to Table to § 100.702, and delete existing §100.723;
4. Move 33 CFR 100.726, Special Local Regulation; Fort Lauderdale Air Show; Atlantic Ocean, Fort Lauderdale, FL to Table to § 100.702, and delete existing § 100.726;
5. Revise Special Local Regulation; Fort Lauderdale Air Show; Atlantic Ocean, Fort Lauderdale, FL dates to “One weekend in May (Friday, Saturday, and Sunday)” in Table to § 100.702;
6. Move 33 CFR 100.729, Columbus Day Regatta, Biscayne Bay, Miami, FL to Table to § 100.702, and delete existing §100.729; and
7. Add Miami Beach Air and Sea Show (new) to Table to § 100.702.

Marine events are listed as occurring over a particular weekend and month each year. Exact dates are intentionally omitted since calendar dates for a specific weekend change from year to year. Once dates for a marine event are known, the Coast Guard notifies the public it intends to enforce the special local regulation through various means including a Notice of Enforcement published in the Federal Register, Local Notice to Mariners, and Broadcast Notice to Mariners.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, and duration of the special local regulations. These areas are limited in size and duration, and usually do not affect high vessel traffic areas. Moreover, the Coast Guard would provide advance notice of the regulated areas to the local maritime community by Local Notice to Mariners, Broadcast to Mariners via VHF-FM marine channel 16, and the rule would allow vessels to seek permission to enter the regulated area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C.

605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of

government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the federal government and Indian tribes, or on the distribution of power and responsibilities between the federal government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a state, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023-01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed

rule involves the establishment of special local regulations for recurring marine events within the COTP Miami Zone. Normally such actions are categorically excluded from further review under paragraphs L61 in Table 3-1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A preliminary Record of Environmental Consideration supporting this determination is available in the docket where indicated in ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, visit <http://www.regulations.gov/privacyNotice>.

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.
